

LEICESTER, LEICESTERSHIRE & RUTLAND

Maternity Voices

Working in partnership to improve maternity & neonatal services

Working to help improve maternity and neonatal services for mothers, partners and families in Leicester, Leicestershire and Rutland.

Whether you're planning a pregnancy, expecting a baby, recently given birth, or have experience with neonatal care your feedback matters.

We want to hear your views on:

- Pre-pregnancy support
- Ante natal care
- Care and support during the birth
- Post natal care
- Neonatal care and support in hospital and in the community

Please scan the QR code and join our discussion.

For more information about the project contact us on:

MNVP@valonline.org.uk

The MNVP (Maternity Neonatal Voices Partnership) project is managed and delivered by VAL. This project is funded and hosted by the LLR Integrated Care Board (LLR ICB)
